

Ghost Bass Drums

Pour travailler le contrôle de la grosse caisse , voici des rythmes avec des alternances de coups de grosse caisse joués forts et de coups de grosse caisse joués "pianissimo" (des "ghost bass drums") .

The page contains six sets of drum notation, each numbered 1 through 6. Each set consists of a circled number, a common time signature, and a bass drum staff. The notation uses 'x' marks for bass drum strokes. In each set, the first two measures show 'coups pianissimo' (ghost bass drums) and the next two measures show 'coups forts' (normal bass drum). The patterns vary slightly between exercises.

- Exercise 1:** Shows a repeating pattern of two measures of ghost bass drums followed by two measures of normal bass drums.
- Exercise 2:** Shows a repeating pattern of two measures of ghost bass drums followed by two measures of normal bass drums.
- Exercise 3:** Shows a repeating pattern of two measures of ghost bass drums followed by two measures of normal bass drums.
- Exercise 4:** Shows a repeating pattern of two measures of ghost bass drums followed by two measures of normal bass drums.
- Exercise 5:** Shows a repeating pattern of two measures of ghost bass drums followed by two measures of normal bass drums.
- Exercise 6:** Shows a repeating pattern of two measures of ghost bass drums followed by two measures of normal bass drums.
