

# Sound of a Sound

a linear approach

Aucun chevauchement , aucune juxtaposition . Un « mot » après l'autre , un son puis un autre ...

1

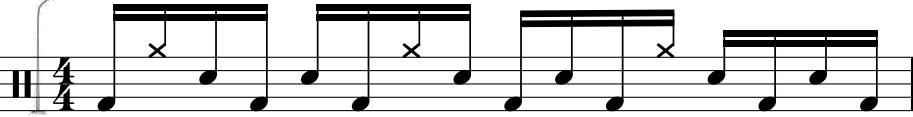

Diagram illustrating a linear drum pattern. The pattern consists of six measures in common time (indicated by a '4'). Each measure contains four notes. The first three measures have a note followed by a rest, while the last three have a rest followed by a note. The notes are represented by vertical stems with horizontal dashes above them, and rests are indicated by vertical stems with horizontal dashes below them.

2
